

The Pathasree Rastasree Scheme launched by CM Banerjee will ensure better connectivity through 12,000 km of roads in 22 districts of the state. Under this project, Bengal will see 7,219 new roads and upgrade of another 1,548. More than 29,475 villages of all gram panchayats will be covered. The scheme also ensures employment generation. According to Minister of State for Panchayat Becharam Manna, "With the financial assistance of the state government, new roads will be built and old roads will be completed within a stipulated time." According to a senior official of the Panchayat and Rural Development Department, about 12,000 km of roads will be constructed or reconstructed in 29,475 villages of the state under the Pathashree-Rastashree scheme. Foundation stone has been laid for construction and repair of 49 roads in the Darjeeling district. Among this, 47 are under Siliguri Mahakuma Parisad and two are under the Gorkhaland Territorial Administration (GTA). A total of Rs 21 crore and 89 lakh has been sanctioned for the projects. his programme has been held in 164 venues across the 146 gram panchayats of the district. 69.01 km road will be of

Bituminous and the rest 269.62 km of concrete type road will be constructed
